TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Notice of Non-Responsive Amendment

The reply filed on May 24, 2006, is not fully responsive to the Official Action dated January 24, 2006, because of the following omission or matter: In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered). See MPEP § 714 and 37 C.F.R. § 1.121.

With respect to the claims of the instant application as currently amended, an improper claim status identifier is associated with claim 3 as presented in Applicants' reply filed on May 24, 2006. More specifically, claim 3 as originally filed recites: "The tablet as claimed in claim 2" However, claim 3 as currently amended is labeled with an improper claim status identifier (i.e., "previously presented" as opposed "currently amended") as amended claim 3 currently recites: "The tablet as claimed in claim 2 1" Presenting claim 3 in the following fashion would place the reply filed on May 24, 2006, as being fully responsive: "Claim 3 (currently amended) The tablet as claimed in claim 2 1"

Since the aforementioned reply appears to be *bona fide*, Applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. § 1.136(a).
